

Applicative Functors in Haskell

Luca Roversi

December 3, 2025

Learning outcomes

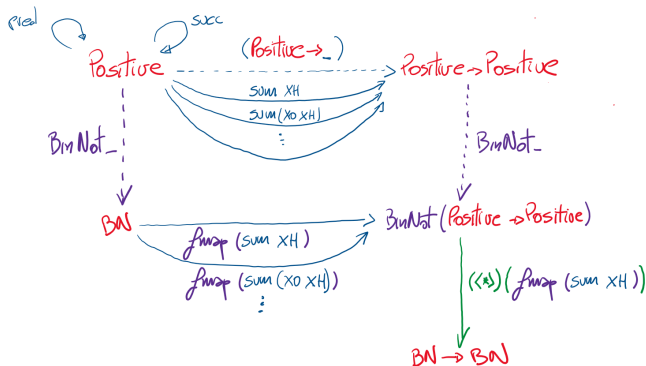

- Instances of Applicative
- Counterexamples
- Numerical system based on **BN**

Examples and counterexamples

- `Support.CT0390ApplicativeInHaskell.hs`
- `Support.CT0395NonApplicativeFunctors.hs`

Binary is a numerical system

- Numbers.Binary.Applicative.OperationsBinary.hs

- Numbers.Binary.Applicative.IsNumericalSystem.hs
